

ALEAH BEAN

662-297-4487 | aleahb2824@gmail.com | Mississippi

Summary

Motivated developer with hands-on experience in full-stack development and building responsive, user-focused applications through both independent and collaborative projects. Strong communication, adaptability, and problem-solving skills with a passion for learning new technologies.

Education

Northwest Mississippi Community College
Associates of Applied Science (AAS) | 12/2026

- Career Certificate
- Technical Certificate
- 4.0 GPA
- Phi Theta Kappa

Base Camp Coding Academy
Coding Technology | 05/2026

- Coding Technology Certificate

Experience

Sonic Drive-In
Carhop/Crew Member

- Delivered quick, friendly service while taking and delivering orders, handling payments through the POS system, and managing money accurately.
- Worked efficiently during busy periods and made customer service a priority.

Projects

Volunteer Tracking

- Built a full-stack Django volunteer tracking system for ER Assist with user-submitted work forms and an admin interface to manage, analyze, and export data for FEMA grant reporting during the 2026 ice storm response.
- Implemented security features, form validation, and data filtering using libraries like ratelimit and honeypot; tested with Django TestCase and manual QA across both user and admin interfaces.

Skills

Python, Java, Spring, HTML, JavaScript, CSS, Version Control (Git), Django, AI Tools (CoPilot, ChatGPT, Google Gemini, Claude), Customer Service, SQL (PostgreSQL, SQLite), Test Cases (PyTest, unittest, TestCase)
